SFBA Chair

As this year begins to wind down to our final three events, I want to thank the chapter for its great participation this year. We have been surpassing our average attendance numbers for all chapter meetings, virtual forums and events this year, and that says a lot for the membership and our programs.

We had a good turnout for our July meeting which was graciously hosted by Gregory R Acton C.P.P. at Palm. Our speaker was Wayne Gluhan and Ben Quinn, co-founders of Crosspoint Technology, a data eradication process and implementation services business. Wayne has over 20 years of experience with Silicon Valley companies in semiconductor and distribution/supply chain services. Ben has 25 years of experience in the Silicon Valley high tech communities including serving as CEO of Optima Technologies, an engineering services company. That presented an exciting and informative presentation on Data Security and Disk Destruction.

This year has been moving at warp speed and we are now coming up on our annual golf Tournament. Larry Reid and & Kris Rennet are once again chairing the event this year. The tournament is planned for August 17, 2006 at Spring Valley Golf Coarse. The event should be a sell out as usual, so I hope everyone plans to attend.

With the Annual Golf Tournament, ASIS National in San Diego, and the Security officer Recognition day still pending this year, the chapter membership will have a lot of exciting events to participate in. I once again want to ask each member to take a moment to join us and participate in all the upcoming events. As one of the largest ASIS International chapters, we need to start to set the bar higher for the coming years. On behalf of the Executive committee, we hope to see you at one of the upcoming events.

Respectfully,  
*Curtis Given, CPP*

12th Annual Larry Marshall Golf Tournament  
August 17, 2006

The chapter's annual golf tournament was held at the Spring Valley Golf Course located in Milpitas. This event is always a favorite event of the chapter which allows the local membership and their guests to engage in a fun-filled day of sunshine and friendly competitive camaraderie. Larry Reid, Strategic Security Services and Kris Rennett were this year's tournament co-directors. We had a total of 32 foursomes for this year's tournament.

During the award presentation Chair Reid recognized Debb Rodriguez, ABM, Joanna Rangel and Curtis Given for setting a new record on ticket sales for the This occasion is designed to be a social event and to honor the memory of fellow member Larry Marshall. The field consisted of approximately 32 teams.

Men's – Eric Fortes

At the end of the day, a steak and pasta dinner was served to the hungry golfers. A motion to waive all monthly chapter administrative activities was approved.

Larry Reid & Vanna played by Co Chair Kris Rennett did magnificent job of raffling out a multitude of wonderful prizes, including this year a large flat screen HDTV. We also took time to acknowledge our sponsors of the tournament, which without their financial assistance, the tournament could not be held. The tournament sponsors were Securitas, Allied-Barton, Strategic Security, Wakkenhut, RFI, and Symantec.

The beverages were sponsored by Allied Barton, & Silvershield

Golf Holes were sponsored by RFI, Symantec, ICE Safety Solutions, Securitas, Juniper and Silvershield

We were also fortunate to have Randy Trujillo bring a brand new Nissan Z coupe to the course, donated by North Bay Nissan, to be our hole in one vehicle.

This years volunteers were; Debb Rodriguez, Joanna Rangel, Patrick Sharkey, Curtis Given. Without the help of these volunteers the event would not have been a success or as fun for our chapter members. Also honorable mention to Curtis Given who operated one of the hospitality carts, making sure cold beverages were supplied to all participates, including himself.

The event ended at 9 p.m. with all indications that everyone had a wonderful time and experience.

Respectfully Submitted,  
Debb Rodriguez, Chapter Secretary
